

## Event Banner Frames

These frames add impact to your graphics wherever they are displayed, inside or out. Made from silver anodised aluminium to give strength and durability yet light enough to be easily handled.

- Available in 2 standard sizes – 2m x 1m or 3m x 1m
- Single sided or double sided options on 2m wide version
- Supplied complete with flexible bungee cords & ground securing pegs
- Optional carry bag available if required
- Can be supplied as either frame only or with 510gsm PVC printed banners
